## **Quality Blend 10-5**

An oat based feed fortified with vitamins and minerals for the active pleasure and performance horse.

### **The Benefits of Quality Blend 10-5**

- Fixed formulas reduce the chance of a digestive upset.
- Added fat- Increased level of fat provides increased calories (energy) per pound. This decreases the amount of grain necessary in the diet and reduces the incidence of colic and founder due to grain overload.
- Guaranteed L-Lysine level provides essential Amino Acid for protein utilization.
- Guaranteed Biotin and Methionine.
- Guaranteed levels of Vitamin E.
- Contains Chelated trace minerals to improve mineral utilization for sound bone development, improved hoof, hair and reproduction in mares. Increased stress resistance.
